SECTION 1: DOCUMENT STRUCTURE (Prompts 1-5)

PROMPT 1: Notice of Misunderstanding

Purpose: Draft a formal notice when you believe a communication or document has been misunderstood.

The Prompt:

```
Draft a professional notice of misunderstanding regarding [SUBJECT: e.g., billing discrepa

Include these elements:

- A clear statement of what I understood vs. what was communicated
- Reference to specific dates and documents: [LIST DOCUMENTS WITH DATES]
- A neutral, fact-based explanation of the discrepancy
- A request for written clarification
- A reasonable deadline for response: [DATE]

Tone: Professional, neutral, fact-based. Not confrontational. Assume good faith.

Format: Formal letter with date, recipient address, subject line, and signature block.
```

Pro Tip: The most effective notices reference **specific document paragraphs or line numbers** to avoid ambiguity. Take 5 minutes to cite exact sources before drafting.

PROMPT 2: Correspondence Timeline

Purpose: Create a chronological record of all communications on a specific matter.

The Prompt:

```
Create a chronological timeline of correspondence related to [SUBJECT].

Include these sources:
```

- `Emails: [LIST EMAIL DATES, SUBJECTS, AND SENDERS/RECIPIENTS]`
- `Letters: [LIST LETTER DATES AND REFERENCE NUMBERS]`
- `Phone Calls: [LIST CALL DATES, DURATION, AND SUMMARY]`
- `In-Person Meetings: [LIST MEETING DATES AND ATTENDEES]`

`Output as a table with these columns:`

`Add a summary section at the top with:`

- `Total number of communications`
- `Date range covered`
- `Key unresolved items`
- `Next deadline (if any)`

Pro Tip: Update this timeline **weekly** for active matters. A 5-minute update saves hours of memory-reconstruction later.

PROMPT 3: Document Cover Letter (Transmittal)

Purpose: Accompany documents being sent to another party with clear context.

The Prompt:

```
Write a cover letter to accompany the following documents: [LIST ALL DOCUMENTS WITH NAMES AND

Purpose of transmission: [e.g., submission, response to request, information sharing, compliar

Include these sections:

• Opening: Brief reference to the context (e.g., "Further to your request dated [DATE]...")

• Enclosed Documents List: Numbered list with document names and brief descriptions

• Explanation: Why each document is relevant

• Instructions for Recipient: [e.g., "Please review and sign page 3," "File for your records,"

• Closing: My contact information and availability for questions

Format: Professional business letter. Mention enclosures at the bottom.
```

Pro Tip: Always keep a **copy of every cover letter** you send. They're your record of what you transmitted and when.

PROMPT 4: Record of Conversation

Purpose: Convert rough notes into a formal, professional record of a meeting or call.

The Prompt:

```
Convert these raw notes into a formal Record of Conversation:

[PASTE YOUR RAW NOTES HERE]

Format with these sections:

- Date & Time: [INSERT]
- Location/Platform: [INSERT - e.g., Phone, Zoom, In-Person]
- Participants: [NAME, TITLE, ORGANIZATION for each]
- Topic: [SUBJECT]
- Summary of Discussion: Bullet points of key topics covered
- Agreements Reached: What was agreed, by whom
- Action Items Table:
- Next Steps: What happens next and when

Tone: Factual, neutral. Attribute statements to speakers. Do not editorialize.
```

Pro Tip: Send this record to **all participants within 48 hours** for review. Ask them to confirm or correct. This prevents "he said/she said" later.

PROMPT 5: Verification Request Letter

Purpose: Request official verification of a claim, statement, or document.

The Prompt:

```
Draft a letter requesting verification of [CLAIM/STATEMENT/DOCUMENT] from [RECIPIENT].

Context: [BRIEF BACKGROUND - 2-3 sentences explaining why you're requesting verification]

Specifically request:
1. [REQUESTED ITEM 1 - be specific]
2. [REQUESTED ITEM 2]
3. [REQUESTED ITEM 3 - if applicable]

Include:

- A clear deadline: [DATE]
- How the response should be delivered: [e.g., in writing, via email, certified mail]
- Supporting documents attached: [LIST]
- My contact information for questions

Tone: Professional. Frame as a reasonable request for clarity.
```

Pro Tip: Always request verification in **writing** (not verbal). A written record is harder to dispute.

SECTION 2: RESEARCH FRAMEWORKS (Prompts 6-10)

PROMPT 6: Plain English Explainer

Purpose: Understand complex regulations, policies, or laws in plain language.

The Prompt:

```
Explain [REGULATION/LAW/POLICY NAME] in plain English as if I have no legal or technical backg

Cover these elements:

• One-Sentence Summary: What it is in the simplest possible terms

• Who It Affects: Individuals, businesses, specific industries

• Key Requirements: What must be done to comply (bullet points)

• Common Exemptions: Who is excluded and why

• Practical Impact: How it affects an individual like me in [JURISDICTION]

• Official Source: Where to find the full text

Use analogies where helpful. Format as a 1-2 page executive summary.
```

Pro Tip: Run this prompt **twice**—once for a general explanation and once focused on your specific situation.

PROMPT 7: Exemption Finder

Purpose: Identify possible exemptions or exceptions applicable to your situation.

The Prompt:

```
I need to understand possible exemptions for [PROCESS/REQUIREMENT] in [JURISDICTION].

My situation: [DESCRIBE YOUR CONTEXT IN 3-5 SENTENCES]

Research and list:

• Common exemptions or exceptions that might apply

• Criteria for qualification (what must be true)

• Application process (if required - steps, forms, fees)

• Relevant forms or agencies

• Official citations or links

Output as a clear checklist I can use to verify my eligibility.
```

Pro Tip: Exemptions often have **strict filing deadlines**. Add a "deadline check" to your research.

PROMPT 8: Regulatory Comparison

Purpose: Compare two related regulations to understand which applies.

The Prompt:

```
Compare [REGULATION A] and [REGULATION B] for [CONTEXT].

Create a comparison table with these columns:
```

Section	Prompts	Page
---	---	---
Section 1: Document Structure	1–5	1-3
Section 2: Research Frameworks	6–10	4-6
Section 3: Workflow Design	11–15	7-9
Section 4: Communication	16–20	10-12
Section 5: Knowledge Management	21–25	13-15

Date	Sender/Recipient	Medium	Key Point	Action Needed	Status

Action	Owner	Deadline	Status

Dimension	Regulation A	Regulation B
---	---	---
Scope/Applicability		
Key Provisions		
Compliance Requirements		
Penalties for Non-Compliance		
Exemptions		
Which applies to a [INDIVIDUAL/SMALL BUSINESS] in [JURISDICTION]		

```
Add a summary section: "Which One Matters to You" with clear guidance.
```

Pro Tip: Use this prompt **before** drafting any formal communication. Knowing which framework applies prevents misstatements.

PROMPT 9: Procedure Outline

Purpose: Get a step-by-step guide for a specific process.

The Prompt:

```
Outline the step-by-step procedure for [PROCESS: e.g., filing a complaint, appealing a decisio

Assume I am an individual with no legal training.

Include:

• Prerequisites: What I need to have prepared before starting

• Step-by-Step Instructions: Numbered list with estimated time for each

• Forms Required: Names, numbers, and where to find them

• Fees: Amounts and payment methods

• Contact: Who to contact if stuck (agency/office with phone/email)

• What to Do If Stuck: Escalation path

Format: Printable checklist.
```

Pro Tip: Government websites often have **procedural guides** that aren't easy to find. Use this prompt on a government web page's text, not just your question.

PROMPT 10: Rights & Obligations Summary

Purpose: Understand your rights and obligations in a specific context.

The Prompt:

```
Summarize the rights and obligations of an individual [IN CONTEXT: e.g., as a tenant, as a cor

Format as two clear lists:

• Rights I Have: [Numbered list with brief explanations]

• Obligations I Must Meet: [Numbered list with brief explanations]

Also include:

• Who Enforces These: Agency or body with authority

• Where to Get Help: Official sources only

• Common Pitfalls to Avoid: Mistakes people often make

Add a "Quick Reference" card at the end - a 1-page summary I can keep handy.
```

Pro Tip: Your rights are often **minimum standards**. What's listed is the floor, not the ceiling of what you can request.

SECTION 3: WORKFLOW DESIGN (Prompts 11-15)

PROMPT 11: Weekly Document Review Checklist

Purpose: Create a systematic document review process.

The Prompt:

```
Create a weekly document review checklist for personal administration.

Include these categories:

- Incoming Documents: Mail, email attachments, digital uploads
- Pending Actions: Responses needed, signatures required, deadlines approaching
- Filing/Organization: Documents to file, archive, or shred
- Follow-ups: Outstanding requests, unresolved issues

Add time estimates for each category.
Format: Printable checklist with checkboxes.
Estimated total time: 20-30 minutes.

Include a "Priority Rating" column: High/Medium/Low for each task.
```

Pro Tip: Schedule this review for the **same day and time each week**. Consistency beats volume.

PROMPT 12: Contract Clause Review Template

Purpose: Build a reusable checklist for reviewing contract clauses.

The Prompt:

```
Build a checklist for reviewing a contract clause in a [TYPE: e.g., service agreement, lease,

For each clause, check for:

- [ ] Clarity: Is it clear who does what?
- [ ] Payment Terms: Amount, timing, method, late penalties
- [ ] Termination: Conditions, notice period, penalties
- [ ] Liability: Who is responsible for what?
- [ ] Indemnification: Who covers legal costs if something goes wrong?
- [ ] Dispute Resolution: How conflicts are handled
- [ ] Renewal/Extension: Automatic or opt-in?
- [ ] Unusual Language: Anything that stands out as unusual

Output as a reusable template with key questions to ask about each element.
Include a "Red Flag" indicator for elements that require professional review.
```

Pro Tip: Never sign a contract on the day you receive it. Sleep on it. Review it twice.

PROMPT 13: Process Audit Framework

Purpose: Audit and improve a recurring process.

The Prompt:

```
Design a process audit framework for [PROCESS: e.g., invoice payment, document signature, clie

Include these steps:
1. Map Current Process: Inputs, actions, outputs (visual flowchart)
2. Identify Bottlenecks: Where do delays happen?
3. List Dependencies: People, systems, documents required
4. Compliance Checkpoints: Where could things go wrong?
5. Automation Opportunities: What could be automated?

Output: A step-by-step audit guide I can apply to any process.
Include a "Before/After" comparison section.
```

Pro Tip: Run this audit **quarterly** for your top 5 recurring processes.

PROMPT 14: Personal Filing System Design

Purpose: Design a simple, scalable filing system for digital and physical documents.

The Prompt:

```
Design a simple, scalable personal filing system.

For Digital Documents:

• Folder Structure: Top-level categories + subfolders

• Naming Convention: Consistent format for file names

• Backup Schedule: Frequency and method

• Retention Policy: What to keep and for how long

For Physical Documents:

• Binder/Accordion Organization: Categories and labels

• Retention Schedule: Keep vs. shred by date

• Offsite Storage: If applicable

Goal: I want to locate any document within 2 minutes.
Output: Printable "System Blueprint" with implementation checklist.
```

Pro Tip: The best filing system is the one you'll **actually use**. Start simple. Add complexity only when needed.

PROMPT 15: Information Request Tracker

Purpose: Track all information requests you've sent out.

The Prompt:

```
Create a tracker for information requests I've sent out.

Columns:

• Request ID: Unique identifier

• Date Sent: When I sent it

• Recipient: Name and organization

• Subject/Information Requested: Brief description

• Deadline Given: When I asked for response

• Follow-up Date: When to follow up if no response

• Status: Sent, Pending, Received, Escalated, Closed

• Notes: Key details, phone calls, emails

Also include:

• Weekly Review Dashboard: Overdue requests, due this week, completed

• Follow-up Reminder: Draft text for follow-up emails

Format: Database table view + dashboard summary.
```

Pro Tip: Follow up **once before the deadline** and **once after**. Most responses come after the second follow-up.

SECTION 4: COMMUNICATION (Prompts 16-20)

PROMPT 16: Request for Clarification (Formal)

Purpose: Request formal clarification on a document, communication, or term.

The Prompt:

```
Draft a formal request for clarification regarding [DOCUMENT/COMMUNICATION/TERM].

Context: [BRIEF BACKGROUND - 2-3 sentences]

Specific questions I need answered:
1. [QUESTION 1 - be very specific]
2. [QUESTION 2]
3. [QUESTION 3 - if applicable]

State that I need clarification before I can proceed with [ACTION].
Request a response by [DATE] via [METHOD: email, letter, phone].

Tone: Professional, respectful. Frame as a reasonable request for understanding.
```

Pro Tip: Number your questions. This makes it easy for the recipient to answer each one directly.

PROMPT 17: Acknowledgment of Receipt

Purpose: Formally acknowledge receipt of documents, items, or packages.

The Prompt:

```
Draft a brief letter acknowledging receipt of [DOCUMENT/ITEM/PACKAGE] from [SENDER].

Details:

• Document/Item Name: [NAME]

• Date Received: [DATE]

• Reference Number (if any): [NUMBER]

• Condition (if applicable): [e.g., "in good condition," "appears complete"]

State that I am reviewing the contents and will respond by [DATE].
Tone: Professional, appreciative, action-oriented.

Include my contact information for any questions.
```

Pro Tip: Date-stamp any document you receive. This establishes a clear record of when you got it.

PROMPT 18: Non-Confrontational Disagreement

Purpose: Disagree with a claim or statement while maintaining a professional relationship.

The Prompt:

```
I disagree with [STATEMENT/CLAIM] made by [RECIPIENT] regarding [SUBJECT].

Draft a response that:

• Acknowledges their perspective: "I understand you're saying..."

• States my disagreement factually: "However, I understand it differently..."

• Provides my reasoning: [EVIDENCE OR REASONING]

• Proposes a path forward: [e.g., meeting, written exchange, review by a neutral party]

Tone: Firm but respectful. No accusations. No "you are wrong" language.

Include a request for a neutral review if the disagreement is significant.
```

Pro Tip: The phrase "I understand it differently" is one of the most powerful non-confrontational disagreement openers.

PROMPT 19: Follow-up Reminder (Friendly)

Purpose: Send a friendly follow-up for an outstanding request.

The Prompt:

```
Draft a friendly follow-up email for an outstanding request.

Original request sent on: [DATE]
Subject: [SUBJECT]
Original deadline: [DATE]

What I need: [SPECIFIC INFORMATION/DOCUMENT]
How I need it: [format, delivery method, etc.]

Offer: [e.g., extension, assistance with format, alternative submission method]

Politely ask if they need anything further from me.
Tone: Friendly, professional, understanding. Not pushy.

Subject line: "Following Up: [ORIGINAL SUBJECT]"
```

Pro Tip: The best follow-up phrase: "I'm reaching out to make sure my request didn't get lost in the shuffle."

PROMPT 20: Closing Communication

Purpose: Draft a professional closing communication for a project, matter, or relationship.

The Prompt:

```
Draft a professional closing communication for [PROJECT/MATTER/RELATIONSHIP].

Content:

• Thank them for their work/assistance

• Recap key outcomes or documents exchanged

• Confirm no outstanding obligations (or list any)

• Provide my final contact details

• Offer to assist with transition (if relevant)

• Important future dates (if any)

Tone: Professional, appreciative, final but not abrupt.

Format: Formal letter or email, depending on context.
```

Pro Tip: Keep a copy of every closing communication. It's your record that the matter was concluded.

SECTION 5: KNOWLEDGE MANAGEMENT (Prompts 21-25)

PROMPT 21: Action Item Extraction

Purpose: Extract actionable items from meeting notes or transcripts.

The Prompt:

```
Extract all action items from this meeting/transcript:

[PASTE TEXT HERE]

For each action item, identify:

- Action Statement: What needs to be done (clear, concise)
- Owner: Who is responsible
- Deadline: When it needs to be done (if mentioned)
- Dependencies: What needs to happen first (if any)
- Priority: High/Medium/Low

Output as a bulleted list sorted by priority.
Include a "Quick Wins" section for items that take less than 10 minutes.
```

Pro Tip: Action items are only useful if they're**assignable and measurable**. If an item is vague, flag it for clarification.

PROMPT 22: Note Categorization

Purpose: Organize scattered notes into clear categories.

The Prompt:

```
I have these notes on [TOPIC]:

[PASTE NOTES HERE]

Categorize them into groups under these headings:
1. Research & Resources: Things to read, save, or reference
2. Action Items: Things I need to do
3. Ideas: Speculative or brainstorming content
4. Questions to Investigate: Things I need to learn or confirm
5. Decisions Made: What I've already decided

Within each category, summarize each note in one sentence.
Flag duplicates for removal.
```

Pro Tip: Review your categorized notes monthly. Delete anything that's no longer relevant.

PROMPT 23: Email Thread Summary

Purpose: Summarize a lengthy email thread into a single-page digest.

The Prompt:

```
Summarize this email thread into a single-page digest:

[PASTE EMAIL CHAIN HERE]

Include:

• Key Issue/Decision Point: What's at stake

• Timeline: When each significant email was sent

• Agreements or Commitments Made: What was promised by whom

• Unresolved Items: What still needs to be addressed

• Recommended Next Step: What should happen next

Aim for 250-400 words. Use a timeline format where helpful.
```

Pro Tip: If a thread has more than 10 messages, stop reading and write a summary first. Then read with context.

PROMPT 24: Decision Log Entry

Purpose: Create a formal record of a decision for future reference.

The Prompt:

```
Create a decision log entry for this decision:

Decision Made: [WHAT]
Date: [DATE]
Context: [WHY THIS CAME UP - 2-3 sentences]

Alternatives Considered:

- [ALTERNATIVE 1] - Pro/Con summary
- [ALTERNATIVE 2] - Pro/Con summary
- [ALTERNATIVE 3] - Pro/Con summary (if applicable)

Rationale for Selected Choice: [REASON - 2-3 sentences]

Expected Impact: [SHORT-TERM] | [LONG-TERM]
Review Date: [DATE] - When to check if this decision was correct

Search Tags: [KEYWORDS for future retrieval]
```

Pro Tip: Include a **decision number** (e.g., DEC-2026-001) for easy reference.

PROMPT 25: Personal SOP Template

Purpose: Create a Standard Operating Procedure for a recurring task.

The Prompt:

```
Create a Standard Operating Procedure (SOP) for my personal workflow:

Title: [WORKFLOW NAME]
Owner: [ME]
Version: 1.0
Frequency: [DAILY/WEEKLY/MONTHLY/AS NEEDED]

Sections:
1. Purpose: Why this matters (one sentence)
2. Prerequisites: Tools, accounts, information needed
3. Step-by-Step Instructions: Numbered list with time estimates
4. Troubleshooting: What to do if X goes wrong
5. Related Documents: Links or file paths
6. Revision History: When and why this SOP was updated

Write in clear, actionable language. Use short sentences.
Include a "Quick Reference Card" version for fast execution.
```

Pro Tip: Review your SOPs quarterly. Delete steps you've automated. Add steps you've learned.
